# **MWF45Z8** 100 lb. (45kg) Capacity

#### SUSPENDED WASHER-EXTRACTOR

### **SPECIFICATION SHEET**

#### **Standard Features:**

- RinSave<sup>®</sup> water saving technology
- 7 speeds (2 wash, 1 distribution, 1 RinSave, 3 extract)
- MilTouch™ touch screen controller
- Back-lit LCD display
- Single-motor inverter drive
- Tall, lifting ribs
- Tapered roller bearings
- High M.A.F. (Mechanical Action Factor)
- Large cylinder perforations
- Fresh-water flushing chemical manifold
- Auto tension V-belt drive
- Six (6) liquid chemical injection ports
- Control reads in English/second language
- 5-year limited warranty on frame, cylinder & shell

#### Why Purchase Milnor?

- RinSave<sup>®</sup> water saver in conjunction with large cylinder perforations provides more efficient rinsing. *BENEFIT: Saves water, energy, and time.*
- Larger cylinder volume than most competitive similar sized washer-extractors provides greater productivity. More linen washed per day, or fewer hours required to process. BENEFIT: Saves labor.
- Greater cylinder perforated-area generates better wash quality, better rinsing and better extraction. BENEFIT: Better extraction saves dryer fuel.
- Faster process times reduce fabric wear, promoting longer linen life! BENEFIT: Saves linen replacement costs.
- Tall perforated ribs provide excellent lift and high drop.
  BENEFIT: Greater mechanical action (M.A.F.) leads to better wash quality.
- 300-G high extract provides excellent moisture removal. Lower extract speeds are available for uniforms, delicate textiles and blended fabrics.
   BENEFIT: Better extraction saves dryer fuel.
- MilTouch<sup>™</sup> touch screen control, utilizing resistive touch screen technology and full VGA resolution, has a clear and informative display which shows current machine status info including total formula time and time elapsed. Formulas can be developed on a PC, saved to USB external memory and uploaded with a screen touch. Controller also provides intuitive fault diagnosis and relevant troubleshooting suggestions. *BENEFIT: Fewer operator errors.*
- Superior product support through local, highly-skilled dealers. BENEFIT: Faster repairs mean less downtime.

Contact Milnor for your local, authorized dealer:

Pellerin Milnor Corporation POB 400 • Kenner, LA 70063 t: 504-467-9591 • f: 504-468-3094

#### **Optional Features:**

- Steam
- Electric heat
- 5 compartment flushing supply injector

Safe chemical injection

Superior cylinder design

SmoothCoil<sup>™</sup> 4 Point Suspension System
